GECKO by Creation Baumann

GECKO®

GECKO®

—

transform existing glazing
with adhesive textile

an alternative to traditional glass coverings

GECKO by Création Baumann is an adhesive backed textile system that allows for transformations of existing glass installations. Select the textile and design pattern –including HighRes Imagery– and install with ease. GECKO is compatible with any flat, non-wired glass surface and is reusable, leaving no residue upon removal.

About 3form®

BREAKTHROUGH PRODUCTS

From materials that break the mold, hardware solutions that simplify installations, to one-stop solutions that provide instant design possibilities, 3form has created a breadth and depth of offerings that make the connection from inspiration to installation seamless and uniquely yours.

COMMITTED PEOPLE

3form employees are a passionate, dedicated and knowledgeable group ready to assist you with simple design specification as well as the most complex custom design solutions. Our cross-functional team of trained architects, material engineers, and project experts, familiar with the unique properties of 3form materials, will realize and expand your innovative vision.

BETTER PLANET

Exceeding industry expectations, 3form has distinctively aggressive goals for minimizing the impact of not only our products, but our processes. Our Path to Zero goals are a commitment to continually reducing our overall environmental footprint toward the ultimate goal of total sustainability.

About 3form® Studio

3form Studio is a collection of striking, easy-to-install, 3-dimensional solutions. Transform walls with Wovin Wall, Wave Wall, or Ripple Wall. Develop artistic partitions with modular Ditto or innovative Parametre. Add subtle privacy to glazing installations with GECKO, or create a stunning centerpiece with Poured Glass. Bring your spaces to life and inject unique beauty with 3form Studio products.
