STRUCTURED BAMBOO – 3FORM FULL CIRCLE

3form is committed to human development in a country with a tumultuous economy and the highest illiteracy rate in Asia. We work with our Nepalese partner, Lhakpa Sherpa, to offer valuable opportunities to struggling artisans. The Nepalese people have over 500 years of experience working with bamboo. Porters harvest the soft wood from the Himalayas and transport it by foot to their community. Artisans cut each piece by hand, then skilled workers place the dried pieces into the 3form pattern to create the Structured Bamboo design.
