Ready to Go

Simple Spec

Reform
What do you want to do with your space?

SimpleSpec is a curated collection of our most popular Ready to Go solutions, made simple. We have simplified our product offer so you can focus on what matters most, the design. First, choose your solution, then select a color or pattern design to create your signature. From partitions to ceiling features, you will find a variety of options to complete your space quickly and beautifully.

Step 1
Choose your solution

Step 2
Select a color or pattern

Ready to Go: SimpleSpec

200.25 SimpleSpec (Qty. two) with Strum, Pantone 185C, Opaque
**200.25 SIMPLESPEC**

Frameless partition with top and bottom channels

**Your Design Choices**

- **Opening Size**
  - 12" × 18" (305mm × 455mm) minimum, maximum height of opening 98.25" (2495mm), widths larger than 48" will use additional panels, no maximum overall width

- **Material Design**
  - For color and pattern options visit 3-form.com/SimpleSpec

**Material**
- Varia

**Lead Time**
- Three weeks (not including transit time)

**Product Features**

- One 48" × 96" × 1/2" (1220mm × 2440mm × 12.5mm) Varia panel is the smallest unit.
- For wider applications, additional panels will be added and cut to fit overall specified size.
- Smaller sizes will be cut from the full panel
- Top Support hardware system for minimal hardware visibility
- PLEASE NOTE: While providing a beautiful, minimal aesthetic, the Top Support hardware system does not prevent material deflection. With 50lbs (23kg) of force the Varia material will deflect up to 3" (75mm) at full height. This application should only be used in low-traffic or low-interaction areas. For a more rigid solution, use SimpleSpec 200.52
