BURT'S BEES

face

body

At Burt's Bees, we believe that true beauty comes from using the very best and most effective natural ingredients to maximize your health and well-being allowing your natural beauty to shine through.

3form® is a leading manufacturer of resin materials and architectural applications for brands seeking a value program development partner. 3form Strategic Accounts anticipates your brand's needs and helps you along the way from your first program to long-term execution and support.

Materials

Products range from translucent to opaque and from resins and glass to resilient textiles, addressing the demand for adaptable, durable, sustainable, and modern materials in a variety of applications and environments.

Applications

A collection of simple yet stunning pre-configured systems include stock hardware and easy-to-install applications. These 3form applications offer an excellent return on investment and help you achieve a consistent brand look.

Capabilities

Access to complete solutions through one cross functional team means program expectations are met. Proven expertise in resin and glass materials, hardware, lighting, and fabrication ensures every program is a success.

Developing a multi-location program is easy with 3form® Strategic Accounts. We have simplified and standardized specification, pricing, and fulfillment for your program needs. By partnering with owners, designers, and project teams we ensure programs satisfy design, cost, and execution requirements.

Program Design and Setup

Our Strategic Accounts team stands ready to help you execute your multiple-location rollout. Our expertise includes participation in preferred vendor contracts with Fortune 500 companies and businesses of all sizes.

Dedicated Program Manager

Get the attention you deserve with a dedicated program manager who is familiar with your company and ready to field questions, provide quotes, manage stock, place orders, and anticipate your needs.

3form Direct

Your procurement process has been streamlined with an easily accessible and unique online ordering system called 3form Direct. Expedited delivery and stock availability helps you meet shipping and installation deadlines.
