*Avoid using a dry cloth, scrapers, or squeegees on vinyl wrapped 3form Profile. For more information on standard recommended cleaning procedures, refer to the Profile Tile and Profile Panel Spec Sheets available on [www.3-form.com](http://www.3-form.com)*

Profile is a three-dimensional patterned product designed to withstand the rigorous cleaning and disinfection requirements in Healthcare.

The durability of vinyl wrapped Profile allows for effective cleaning and disinfection of environmental surfaces to reduce microbe transmission. Refer to the compatible cleaners and disinfectants to ensure the proper disinfection and minimal wear.
